AssociationVoting.com provides online voting, including proxy and hybrid elections, for member associations, trade groups, private corporations, and anybody in need of voting. Our online election software combines modern and mobile functionality with a history of online voting and surveying going back over two decades.

This report in your hands (or on your screen) was generated at the request of a voting manager or administrator for the election identified on the front page.

If you have any questions - please don't hesitate to contact us. You can reach us by email at support@associationvoting.com.

Please let us know how we can help you with your future voting needs. If you have any need for an association or event mobile app, don't forget our sister company, Results at Hand Software, at resultsathand.com.
